

GENERIC SKILLS TEST

This test will not form part of an assessment; it is simply designed in order that QualTrain Australia may determine any potential student support need which might result in your experiencing difficulty in achieving the course outcomes.

Should you experience any difficulty in completing this skills test, we invite you to contact the QualTrain Office at admin@qualtrain.com.au before you enrol in a training program.

In your own words, please write a short paragraph to describe your inspiration to become a marriage celebrant.

Demography is the branch of science which deals with statistics within a community. Please complete this short demographical study which will assist you later in developing a business plan for your business as a marriage celebrant.

Please find the following data:

1. Metro: How many civil marriage celebrants are based within a 10km radius of your home?
or
Regional: How many civil marriage celebrants are based within a 100km radius of your home?
or
Religious: How many ministers of religion (celebrants) are based with a 10km radius of your church?

Where did you find this information? Yellow Pages / Attorney-General's website
www.ag.gov.au/celebrants / another source?

.....

2. List three locations that you feel may be suitable venues for marriages within 10km radius of your home: parks or gardens / reception centres / places of interest

.....
.....

3. Name three additional factors that you believe would assist you in developing a demographical study. (e.g. age of population)

.....

Please go to the Attorney-General's website and check out the latest news for aspiring celebrants
